LIFE SCHOOL LANCASTER

From the Principal...

December 1, 2011

I hope you had a wonderful Thanksgiving break with family and friends. We are back to work here on campus, and there are a few events you need to be aware of coming in the near future. This week is book fair week, and the students appear to be having a blast selecting new titles to read.

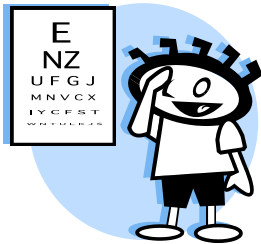

Our annual 1st through 6th grade Christmas program is coming on the evening of Monday, December 12, 2011, at the Life School Red Oak campus. We will bus the students to Life School Red Oak campus the morning of the 12th for rehearsal. The program will be from 6:00 p.m. – 7:00 p.m. on the night of December 12th, and students can begin to be dropped off at 5:15 p.m. All students **need** to be in their designated spot by 5:45 p.m. We will send another reminder with more details next week. We look forward to seeing you there and have a nice weekend.

The Nurse's Station

It is estimated that nearly 25% of all school children in the United States have vision problems. Some signs that your student's vision should be checked are: squinting, headaches, eyes tiring when doing schoolwork or turning or tilting head to see with one eye.
