

LIFE SCHOOL LANCASTER

From the Principal...

August 25, 2011

Good afternoon parents, and I hope all is well. Please accept my apology once again for any inconvenience caused by missing school on Tuesday, August 23. If you are unaware of what caused the cancellation, our A/C (air conditioning) unit required emergency repairs and was not operational during the school day. Without A/C inside and triple digit temperatures outside, the building was too hot for anyone to be inside for an extended amount of time.

Also of note, have you seen the future playground in the back? It is coming along nicely and should be completed in approximately two weeks. Have a great evening and a wonderful weekend.

Mr. Parker

Academic success is directly related to a student's health. Lack of sleep, hunger, or poor health in general, affect attendance, grades, and a student's ability to concentrate in class.

Important Dates:

**Parents, we will utilize this section throughout the year to inform you of upcoming events. Should you have any questions regarding these dates, please contact the office at the number listed below.
