

LIFE SCHOOL LANCASTER

From the Principal...

October **20**, 2011

It appears that hopefully the nice cool fall weather is here at last. As we head towards November and the Thanksgiving holiday, it is important to remember those families in need of assistance. We will be hosting a canned food drive beginning on Monday, October 31, 2011, through Friday, November 18, 2011. All donated items will be given to the North Texas Food Bank to be distributed among those in need. The class with the most participation will be given a free dress coupon and pizza on Friday, November 18th. Parents will also receive parenting points for their donation. Thank you in advance for your participation.

Earwax facts:

- Your ear canal makes earwax to protect the ear
- You can clean the opening of your ear gently with a washcloth
- Don't poke the ear

There's an old saying...don't put anything smaller than your elbow in your ear. Even a cotton swab can push wax deeper and cause irritation or an infection.
