LIFE SCHOOL LANCASTER

From the Principal...

October 6, 2011

Thank you to all parents and students who participated in our fall fundraiser. The profits from our fundraiser help to supplement the educational experience of our students. As you know, tomorrow is fair day, and the weather looks to be mid to high 80's with a chance of rain late Saturday and Sunday. If you head out to the fairgrounds on Saturday, remember, it is OU-TX weekend. The game itself will bring in an extra 90,000+ people. Make sure to coordinate a meeting place just in case someone gets lost. Have a great weekend!

Mr. Parker

NO SCHOOL TOMORROW!!

The Nurse's Station

Dental Health is important to us all, but for children, they are still learning how to care for their teeth. Teaching children to brush twice a day for two minutes and flossing everyday is a great start to dental health. Children should also see their dentist twice a year. Warning children that sugary foods can contribute to tooth decay will also aide in healthy teeth. These lessons will help give them lifelong healthy teeth.
