August 2011

WELCOME BACK AND THANK YOU FOR BEING PATIENT DURING DISMISSAL 😊

Dear Families,

Welcome to the 2011-2012 school year! I'm very excited about the great things happening at Life School. We are going to have an engaging, rigorous school year!

The mission of Life School is to train leaders with life skills for the twenty-first century by establishing strong academics, character training, and a parenting program. I am sure these are just a few of the many reasons you chose Life School. We are looking forward to partnering with you in developing leadership, character, and academics in your child.

Best wishes for a successful and rewarding school year!

~Mrs. Dansby

CHARACTER TRAIT 22nd – 26th

A person of character meets the demands of duty, is accountable, pursues excellence, and exercises self-control. Today, I will....

Practice setting a good example – We may not realize it, but someone looks up to us. Think of people you know-maybe younger relatives or friends-who hang on your words, follow your lead, or imitate your actions. Be mindful of the example you set for them-and make it a good one!

Teachers will be logging tardies in the classroom starting at 8:15. If you arrive after 8:30, students must stop by the office to get a tardy slip.
