

Life School Thursday Exchange

Volume 1, Issue 20

January 2010

Life School News

Re-Enrollment

Re-enrollment forms will go home Thursday, January 28th. All re-enrollment forms must be completed and returned by February 17th to insure your child has a spot reserved for the 2010-2011 school year. If your child will not be returning for the 2010-2011 school year, please let the registrar know they will not be returning and what school they will be attending as soon as possible.

New Enrollment

The new enrollment period will begin February 22nd and go through March 12th. If you have a sibling that you are trying to enroll, let the registrar or the person accepting your application know that you are submitting an application for a Life School sibling.

Spirit Wear is now available to order online. There are special ordering instructions on www.lifeschools.net. Ordering is only open until Jan. 29th. Spirit wear may not substitute as a Life School uniform.

Can you believe we are already a month into 2010? As we have welcomed our students back for the new semester we have definitely turned our attention to the upcoming TAKS season. There is a tremendous emphasis in our district and in the state on our students' academic and standardized testing performance. We are setting our sights on increasing the number of students that are scoring "Commended Performance" on each TAKS test. Many of you will receive a letter in the near future regarding tutorials and/or ways you can help your student at home. As always, we need your help to ensure that our students are motivated to do their very best on these upcoming tests. Thank you in advance for your encouragement and support of our students' success on these incredibly important tests.

As you receive this Thursday exchange we are also in the midst of re-enrollment for the 2010-2011 school year. Please pay special attention to the deadlines. In order to ensure your returning student has a spot for next year, your completed paperwork must be turned in on time. Please take time to read all of the forms and information carefully.

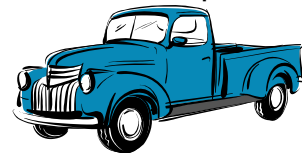

Have a wonderful spring semester, and thank you for partnering with us in making Life School Red Oak the best campus in the area.

Mrs. Wendy Dansby

Calendar of Events

- January 28 Re-enrollment forms will go home
- February 11 K-7th Individual and class picture day
